

Philip Leitman

Philip Leitman likes to tell people that the most important job he has ever had was caring for his late wife, Fern, who was ill for nearly two decades with a complex resistant Mycobacterium Abscessus pulmonary infection. His full-time passion is helping NTM patients through NTM Info & Research (NTMir), an organization he and his late wife co-founded several years ago. Philip's job is his real estate development business.

Philip moved to Miami, Florida from Canada in 1990, where had been the CEO of his own company. In addition, Philip has served as a Vice Chair of the Council of National Trustees of National Jewish Medical and Research Center, as a Board Member of the American Lung Association of Southeast Florida, and a Board Member of SeniorCare Meals on Wheels.

Philip and Fern have two children and two grandchildren, all residing in Miami, Florida.
