

PHYSICIAN REFERRAL LIST

ENROLLMENT FORM

NTM Info & Research maintains an online Physician Referral List, containing the names and contact information for health care professionals around the world who specialize in the treatment of NTM lung disease.

The criteria HCPs must meet in order to be on this list are:

1. Understanding of ATS/IDSA Statement treatment principles or equivalent guidelines.
2. Ongoing active medical practice accepting new patients.
3. Licensure by the appropriate governing body to practice medicine.

Complete this form and return via fax to 305-662-8035 or via email to ntmmail@ntminfo.org. By submitting this form, you certify that you meet the criteria established above.

**denotes required field; your name cannot be added to the Physician Referral List without this information.*
