Dear «Holsal»

I'm writing to you today to ask for your support for an organization that means so much to me...NTM Info & Research.

Now in existence for over twelve years, NTM Info & Research (NTMir) strives every day to help those afflicted with NTM (nontuberculous mycobacterial) lung disease.

NTM (also known as MAC) affects women, men and children. The number of cases being diagnosed continues to rise significantly each year. Those with underlying lung disorders such as COPD, Cystic Fibrosis, Bronchiectasis, and others, are at greater risk.

The annual Holiday Mailer fundraiser is the main source of funding for NTMir, the only national organization for patients and families living with NTM.

With the generous support of individuals like us they are able to:

- Maintain the foremost informational website of NTM/MAC
- Produce a comprehensive Patient Perspective pamphlet in 7 Languages
- Provide support and resources to patients, family members and caregivers
- Hold Patient /Physician educational conferences
- Fund necessary research

Please Help. Fill out the enclosed donation card and make a tax-deductible donation today.

With much appreciation,

Your «Signature»
