

"Insight" Pamphlet Order Form

Order copies of our pamphlet, "Insight: A Patient's Perspective" today! Our "Insight" pamphlet offers a comprehensive overview of nontuberculous mycobacterial lung disease with the important core information of our website in print version. We distribute these pamphlets free of charge. Many doctors keep these pamphlets in their waiting rooms for their patients, and some patients request copies for themselves, their family and friends, as well as their other healthcare providers.

Email:

Please add me to your Physician Referral List. I am a licensed physician who treats NTM patients and am familiar with the guidance set forth in the ATS/IDSA Statement.

Please note that you must include your practice address and phone number to be added to the Physician Referral List so patients can find you. We do not share email addresses.
