

INTERVIEW STUDY IN PEOPLE WITH NON-TUBERCULOUS MYCOBACTERIAL PULMONARY DISEASE (NTM-PD)

Are you at least 18 years of age and have a diagnosis of NTM-PD?

Participation

- If so, we are looking for individuals like you to tell us about your **personal experience with NTM-PD**.
 - Our goal is to learn about your experience with NTM-PD. Additionally, we will ask for your **feedback on questionnaires** about NTM-PD.
 - **No treatment** will be provided as part of this study.
 - Your participation will end upon completion of the interviews.
-

Compensation

Eligible study participants will be **paid up to \$450** (\$300 for participation in a two-hour study interview [can be completed in two one-hour sessions] and \$150 for an additional one-hour study interview).

How do I participate?

If you are interested in participating or would like to learn more about the study, please contact the email address below.
